Important Questions	Answers	Why This Matters:		
What is the overall <u>deductible</u> ?	\$ 500 Optum Rx Only	You must pay all of the costs from OptumRx up to the deductible amount before this Plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.		
Are there services covered before you meet your <u>deductible?</u>	Yes	You have to meet a deductible for only OptumRx.		
Are there other <u>deductibles</u> for specific services?	Yes	\$500 OptumRx Deductible Only.		
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?		No out-of-pocket limit.		
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	Premiums and health care this plan doesn't cover.	No out-of-pocket limit.		
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See <u>www.firsthealth.com</u> or call 1-800-226-5116 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.		
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No	You can see the specialist you choose without a referral (PPO Plan).
