Dear Mr. Belbel,

I want to take an opportunity to invite you to SPBA's Spring Meeting. A TPAs success is cultivated through sharing with peers and leveraging the insights and market knowledge from across the country, much of what happens in SPBA's meetings. SPBA's Spring Meeting is April 24 - April 26 in Washington, DC.

The SPBA Spring Meeting gives you an opportunity to hear directly from the federal government regulators as well as educate them on real world challenges you are facing. There is a true benefit in telling a client that your knowledge is based on interactions with the people who draft the laws and regulations.

We are excited to offer sessions with immediate take-home value, such as **"Lessons Learned from Evolving Reimbursement Models" and "Harmonizing Documents"**.

Brainstorming with TPAs, Stop-Loss, and Service Partners from different parts of the nation will help you uncover solutions to your most troubling business issues. The gathering of SPBA TPAs generates a special dynamism of the best brains in the health and benefits industry.

As a non-member, you may attend two meetings at the member-rate, provided you complete a member application so we may pre-determine your firm's eligibility for membership. Should you decide to attend, please contact the SPBA office for an application form and one will be emailed to you. ([info@spbatpa.org](mailto:info@spbatpa.org)) There are still hotel rooms available and room for you in the meeting.

I am enclosing the full agenda for the meeting and a piece that speaks to the benefits of becoming part of the "SPBA Family"

I look forward to hearing from you and would very much like to meet you in Washington, DC. Our goal is always to be the best business investment that you make each year and we would like your firm to be a part of SPBA's winning team.

Enthusiastically,

  
Anne Lennan  
SPBA President
